DOG TAGS

All dogs in the Village of South River are required to have a dog tag.

Waste and Recycling

Garbage is to be at the curb no later than 8 am every Friday. It is not always the same driver, a different driver can mean a different route and pick up times will vary. Garbage is to be out 8 am to 8pm. Recycling saves our landfills from filling up too fast. Recycling bins can be purchased at the local hardware store, it doesn't have to be green/blue. Just be sure to put out the proper stuff on the appropriate week, a recycling calendar is available at the office or on our website southriver.ca. If you do not have a garbage can to put your garbage in but are concerned about the birds or animals getting into it and ripping the bags put a blanket over it. If birds/animals do rip your garbage apart, Please clean it up so it doesn't blow into your neighbours yard or into the ditches for others to clean up, lets work together to keep our Village clean and tidy. **Large Item pick up** is on Monday August 11th. This is a service you must call in to register your items or they will NOT be picked up, if you register and then find more things you must call to add it, if it is not on the list the driver will not take it. Last day to register for LARGE ITEM PICK UP is Wednesday August 6th @ 4 PM. Next large item pick up will be November 3, 2025.

North Bay's Household Hazardous Waste & Electronics Program accepts various hazardous waste products and electronics on a year round basis for Village of South River residents at 112 Patton St. North Bay, Wednesday to Saturday 8 AM to 6 PM. For more information visit the Village of South River Website.

Have you been unable to pay Your Taxes & Water

If you have fallen behind on your tax or water account and are not sure how you can get caught up,. Please call us . We will work with you on a payment plan to get you back on track. Don't ignore our notices, stay in touch to avoid further action. Interest is run for taxes on the first of every month, water interest is run on the 16th of the month or the next business day. If property taxes reach 2 years arrears it will be sent for tax sale. The process is very expensive and gets added to your tax account. Water Arrears happen at times and we only send out disconnection notices if your account is over \$250. If we need to disconnect your water, a deposit will be required to turn it on plus disconnection and reconnection fees .

**Important Notice:**

For your safety, please do not walk along or cross the train tracks except at the designated crossing on Ottawa Avenue. Crossing the tracks at any other location is not only illegal but extremely dangerous. Let's all do our part to keep our community safe.

**Code Red**

If you haven't already done so, take a moment to sign up for Code Red. Code Red can inform you about local emergency situations, water related priorities or water conservation requirements, etc. When a Code Red message is sent, those who have signed up for the service receive the message instantly. In order to receive these messages, you must sign-up for the service.

Call the South River Machar Fire Department (705)386-0066 or signup online at www.srmfd.com. When you receive a Code Red message, it will come from a 1-855 phone number, don't mistake it for a telemarketer.
